

Description

The NuVent MS Series fans offer exceptionally quiet performance in a sturdy galvanized steel housing. All MS series models feature an exclusive curved grille design for contemporary style making it an attractive option for bathroom and general ventilation applications.

Features

Grille

- Attractive curved styling with soft rounded profiles.
- Textured, white polymeric.
- Mounts directly to housing with torsion springs.

Housing

- Heavy 22-gauge galvanized steel construction.
- Plastic discharge collar with backdraft damper for easy attachment to 4" diameter duct.
- Mounts with side mounting tabs.
- Top and side electrical knockouts for easy access.
- Large removable wiring compartment.

Blower

- Removable blower with easy slide-in mounting.
- Balanced polymeric, forward curved blower wheel.
- Plug in motor rated for 120 volts 60 Hz operation.

Other

- Permanently lubricated, ball bearing shaded pole motor.
- This product is approved for use over tub/shower enclosures when installed in a GFI protected branch circuit.
- Also available in MR Series with round grille.

Performance

- Air Delivery – 70 CFM @ .1" w.g. s.p.
- Sound Level - 4.5 sones
- Volts - 120
- Hertz - 60
- Amps – 0.88
- Watts – 49.4
- Duct - 4" round

The Home Ventilating Institute has tested and certified the airflow performance (CFM) and sound levels (sones) of this product.

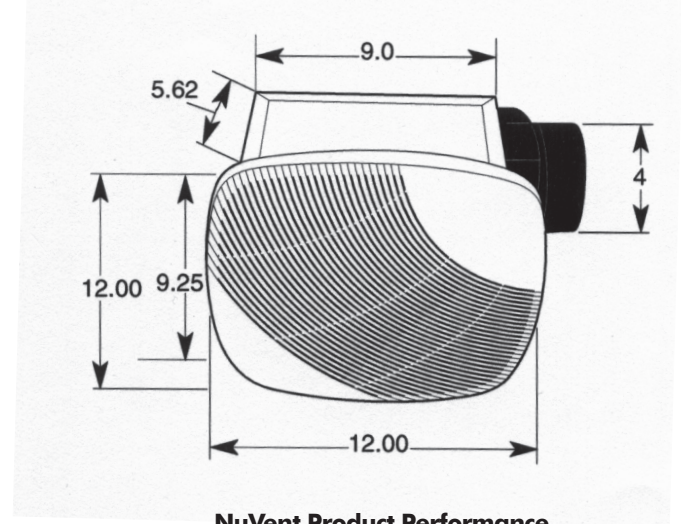

General

This product has been evaluated by Underwriters Laboratories and conforms to both UL and CSA safety standards.
